---

## Action Research Projects

- Are you keen to explore an area of practice within your school?
- Camden Learning can provide the initial research and help you develop your hypothesis for testing.
- Identified school staff carry out the activity with ongoing support from the external consultant. School staff and Camden Learning consultant evaluate and develop recommendations for future practice.

**COST: 5 LEARNING BLOCKS**

## NQT Training Programme

### NQT package and access to Primary and Secondary training programmes

Alongside the core support from your School-based Mentor and Induction Tutor, Camden aims to provide high quality, practical learning experiences.

Workshops will enhance subject knowledge alongside developing the skills and strategies needed to excel in the first years in the profession. The sessions enable networking and support, building a professional learning community across our schools.

Workshops are led by experienced practitioners who work in our schools.

**Cost: £1,050**

### Appropriate body support

The appointment of an Appropriate Body is a statutory requirement for the induction period of Newly Qualified Teachers and an NQT cannot start their induction until their Appropriate Body has been agreed. As an Appropriate Body, Camden Learning will undertake the necessary verification and administrative processes on your behalf. This includes:

- Registering the NQT with the Teaching Agency
- Maintaining records and assessment reports
- Making the final decision as to whether or not the NQT's performance against the Teaching Standards is satisfactory, drawing on the recommendations of the Headteacher/Principal
- Providing a named contact and advice line for support and guidance

**Cost: £350**
