If your school has already purchased the Primary Curriculum Network (covering Foundation subjects) package, your staff can attend **unlimited network meetings**.

If your school hasn't purchased the package, and staff attend any network meetings, this will automatically trigger the purchase of the Primary Curriculum Network package – and **unlimited access for all staff to these events**. Depending on the package you have purchased, this will cost £450, £500 or £600 for the year for Premium, Standard and Basic packages respectively.
