Understanding the Healthy Lives of Families with Younger Children in London

► Are you a **parent or caregiver** with at least one child aged 0-12 years? ► Do you live within Greater London?

Take our **short survey on family well-being and health** to help improve public services and future research 😊

To find out more & take the survey, go online to: <https://t.ly/CKp8C>

Or search on Facebook to take part: “UCL London Family Study 2024”
