

## Part 2:

- We hear the diegetic dialogue of Coach Carter asking Cruz to leave the gym. Cruz reacts by stepping forward to mark his authority and to stand his ground. (Connotation) His facial expression is shock as he believes that he is the boss. Coach is harsh, strict and doesn't like being disobeyed. Coach is very quick to react when Cruz tries to punch him. → the boys cannot intimidate him
- Close up on CC's face after being mimicked by Cruz → this emphasises his emotion and shows he is angered by Cruz's disrespectful attitude
- It is clear that CC is getting angrier as his voice gets louder in diegetic dialogue, this not only emphasises the speed of Coach Carter's, but also highlights the impact of the conflict between Cruz + CC
