# ARTS COUNCIL ASSOCIATE BRIDGE

As an Arts Council England Associate Bridge Organisation, the Roundhouse is part of a national network of bridge organisations given the job of helping children, young people, schools and families to connect with arts and culture.

We work with the three other associate bridges in London – Sadler's Wells, Apples and Snakes and the Lyric Hammersmith – supporting London's lead bridge, [A New Direction](#).

As an associate bridge, we work with creative, educational and youth organisations across London, with a focus on the north of the City. We encourage partnerships and collaborations that help young people to get involved in the arts, and support young people, schools and families to find and make the most of artistic and cultural opportunities available in the capital.

We help schools to apply for [artsmark](#) and are working to support more young people to undertake the [Arts Award](#) – a nationally-recognised qualification that inspires young people to grow their arts and leadership talents.
